In making this application, I/We do hereby agree to fully comply with and be bound by the policies and procedures set forth in the CBUC Policy Manual. The manual is on file at the CBUC office, and copies are available upon request.

The combined fee of **\$500** for water and sewer connection plus a **\$500** utility compliance deposit (for a total of **\$1,000**), made payable to CBUC is attached and made a part of this application for service. The compliance deposit is fully refundable, subject to the conditions set forth in the Policy Manual.

I/We understand that CBUC is responsible to the Oregon Department of Human Resources and the Oregon Department of Environmental Quality, the governing agencies for water and sewer operations, as well as other governmental agencies that may oversee system testing and/or operations. I/We further understand that CBUC reserves the right to assess and withhold charges against the compliance deposit in the event of failure to comply with the policies and procedures set forth in the Policy Manual, including required inspections, which result in additional service calls made by CBUC. If the deposit is exhausted all work shall stop until an additional deposit is made.
